

## TANTRA

Tantra is generally referred to as the ancient Indian spiritual philosophy of conscious loving. Incorporating the same beliefs into their food, décor and ambience, Tantra restaurant provides a sensual environment that immediately enhances four of your five senses (smell, sight, touch and sound).

Visitors of Tantra experience the touch of the fresh cut grass under their feet, the smell of incense or jasmine scented candles, the sound of exotic, new age-style music and the sight of beautiful décor - Tantra's goal is to enhance these four senses to the highest level possible. It is only at this time when you use your fifth sense, taste, that you will experience the highest level of dining pleasure and achieve culinary ecstasy.

Start your meal with one of the many enticing appetizers including the golden tom yum Thai lobster soup, a medley of fresh lobster simmered in a coconut milk, galangal root and lemongrass broth and finished with chanterelle mushrooms and picked fresh cilantro.

A palate-pleasing main course selection includes a grilled filet mignon with Cuban coffee sauce - just spicy enough to heat things up!

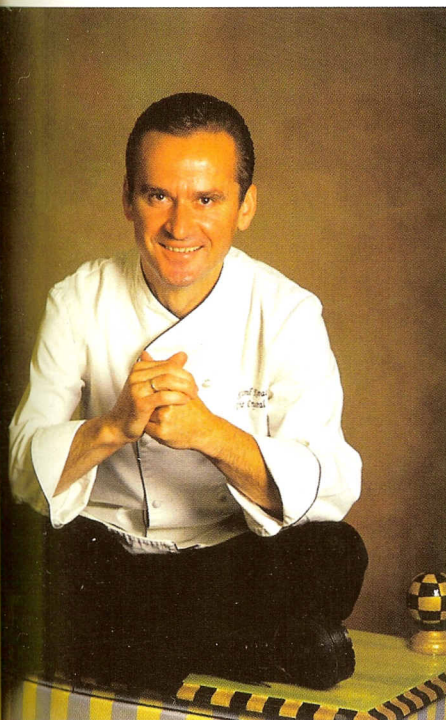

The restaurant is located at 1445 Pennsylvania Ave., Miami Beach. Dinner is served nightly from 7 p.m. to 1

a.m., with a late-night menu available for the evening revelers from 1-5 a.m. Reservations are recommended and can be made by calling (305) 672-4765 or visiting [www.tantrarestaurant.com](http://www.tantrarestaurant.com).
